Holiday Home Work

Grade - VI

Dear Students,

Summer Vacation is here and it is time for some fun games & family outings. Though this break is necessary to break the monotony of daily routine, we must do certain activities to freshen up our minds & keep it active & alert. This will ensure that when we come back to school we are rejuvenated.

Given below is set of activities (along with instructions) which we expect you to do & these will be added to your F.A. score. **Submit assignments as per the instructions in each subject. All work has been explained by the teacher in the class.**

English:-

- a) Given below is a list of words. Each word has two meanings. Find & write the meanings with the help of a dictionary. Also use the words in two different sentences to bring out the meaning of the words clearly –
Blanket; Pet; Scale; School; Maroon; Hamper; Fair; Paste; Join; Handle.
- b) Given below is a set of root words – Make 3 new words from the given root word :-
Aqua; Graph; Geo; Eco; Dust (Do all the work in you H.W. notebook)

Science:-

Watch the night sky & identify at least 3 constellations & draw them individually on an A4 Size Sheet & write 5 lines on each of the constellation (paste it in your scrap book).

Social Science:-

Make a map of your neighbourhood, on an A4 Size paper. Use symbols and colours to represent various landmarks like buildings, roads, parks etc. (paste the sheet in your scrap book).

Maths:-

- I) a) Find out your breathing rate for 1 minute.
b) Then calculate it for one hour, then one day, then one year.
c) Also calculate your breath as per the no. of years you have been living.
- II) Create a bar graph showing the monthly consumption of electricity in your house for the past six months (take the help of the electricity bill of your house). Do the homework in maths note book.

Hindi:-

जल संरक्षण के कोई दस उपाय चित्रों के माध्यम से प्रस्तुत कीजिए और उन पर अपने विचार लिखिए।
(In Hindi note book)

Points to remember:-

1. Read books regularly; Speak in English at home; Always be polite and courteous.
2. Keep a pot of water for birds and take care of it.
3. Homework also available on school website.

HAPPY HOLIDAYS!
